## **THREE MOMS GET CANDID ABOUT WHAT HAPPENS WHEN 'I DO' BECOMES 'NOT TONIGHT'**

Crystal, Amanda and Jackie are tired. Between juggling work, home, kids, pets and everything in between, they have no energy left to shower, let alone be sexy. When they heard about women reading a trashy novel and then transforming their bedrooms into dens of dominance, they had to laugh. Well, at least they would've laughed if they had the energy.

*50 Shades of Frayed: What Happens When 'I Do' Becomes 'Night Tonight'* is a humorous *mompilation* written by three married mom bloggers who give a hilarious look into what it's really like behind closed doors.

**Found myself nodding and chuckling in agreement. Should be required reading for husbands and wives...**

**--Angela Donner, Library Girl Reads**

**Funny and real. Finally, someone had the guts to say out loud what we're all thinking. A must read for women who juggle... --deb56 on Amazon**
